

Learning Support Assistant Positions

Silverline Private School are seeking to create a database of enthusiastic, forward thinking Learning Support Assistants that may possibly join our school should there be an available opening.

Successful applicants will be required to support students with learning difficulties with their learning objectives.

The ideal candidates must:

- Have an excellent command of the English language.
- Be able to show an understanding of pedagogical approaches to teaching and learning in the primary and secondary school.
- Must hold a qualification in Special Education.
- Successfully apply provision for individual students with additional needs and oversee day to day provision.
- Be able to interpret specialist assessment data and deliver IEP targets.
- Be able to promote students' inclusion within the mainstream class and deliver specialist lessons to meet their IEP targets.
- Attend multi agency meetings.

We can offer you:

- A welcoming working environment with enthusiastic children who are keen to learn.
- Supportive and friendly staff.
- An approachable leadership team.
- Opportunities for professional development.

Silverline Private School, founded in 2011, is located in Trachoni, on the outskirts of Limassol. We are a single-form inclusive school, delivering the UK National Curriculum to students age 3-18.

If you are interested in this SENCO role, please submit your CV and covering letter, at your earliest convenience, to: Principal@silverlineschool.com
